People Positively Impacted

We are an impact-driven event planning agency that curates immersive in-person, virtual, and hybrid experiences for corporate, nonprofit, and government clients nationwide. With innovative planning and world-class execution, our expert team helps you build meaningful connections, engage your audience, and leave a lasting impression. With Epiphany Blue, you can count on calm in the chaos, clarity in the planning, and confidence in the execution. Let us transform your vision into an unforgettable experience!

Key Differentiators

Strategic Partnership

We align every experience with your goals, culture, and audience to deliver measurable results—not just beautiful moments.

Inclusive by Design

As a certified M/WBE, we bring diverse perspectives to create culturally aware, welcoming experiences.

Flawless Execution with a Relationship-First Approach

Our team is known for being proactive, detail-oriented, and calm under pressure. Clients describe us as dependable, intuitive, and deeply invested.

Tamekia Flowers-Ball is the Founder and CEO of Epiphany Blue, where she leads with vision, strategy, and a passion for creating purposeful, high-impact experiences. With over two decades of expertise in event planning and brand engagement, she guides a team dedicated to delivering innovative, mission-driven events for clients nationwide.
